

## The Black Knight - Just a Flesh Wound Knitted Hat

A free Fair Isle style knit pattern courtesy of [echoforsberg.com](http://echoforsberg.com). Free for personal use - NO commercial use.

*This pattern makes a tight fitting beanie style cap. I suggest adding approx. 20-30 rows of ribbing at the bottom before following the pattern.*

*I used No. 6 size needles with standard worsted weight yarn. Your gauge may differ. The full hat is 120 stitches around - follow this pattern twice.*
