Heraldic Dragon. - Cassell, Petter, Galpin & Co.: "Magazine of Art Illustrated" (1878)

This engraving (probably a woodcut) of a dragon appears at the start of an article on dragons in ornament. It is marked L. F. D., presumably for Lewis F. Day, the author of the piece; and, since he died in 1910, more than 70 years ago, the image and text are out of copyright.

Artist: Lewis F. Day (1845 – 1910)
